Lehman for Godfrey briefed on the status of the Israeli-Syrian situation.

Lehman noted that both The New York Times and Washington Post have backgrounders this morning on Soviet aid to Vietnam. He explained the military situation south of the DMZ.

Kent passed the Director a copy of the draft conclusions on the Yugoslav Estimate.

The Director indicated that no pre-USIB meeting will be necessary this week.

ADD/S called attention to the large volume of [] traffic in connection with the Latin American summit conference and said that the Agency is staying on top of it.

25X1

ADD/S reported that the demonstration at the University of Wisconsin was well controlled and that the interviews proceeded on schedule.

Carver noted a call from Bob Komer yesterday concerning a personnel request for Vietnam. He alerted the Director to Senator Fulbright's interest in the part the Agency is playing in the RDC program.

[]
Chamberlain briefed further on COSMOS 154, which is apparently a new spacecraft capable of handling four people.

Chamberlain showed the Director an example of an intelligence report printed by computer.

DD/P said that George Carroll had called to express the Vice President's appreciation for the support he received in Europe. DD/I added that he had received a similar call.

Executive Director announced that we have now received our supplemental allowance letter.

DDCI reported that he has received an invitation from the Naval War College to attend a global strategy discussion from 22 May to mid-morning on 25 May. The Director agreed that the DDCI should attend.

The Director noted that he will be in New York next Monday, returning late in the evening.

K1 []
With regard to a particular Agency report, the Director said that intelligence on the whereabouts of Che Guevara should be carefully examined before publication.
